Good afternoon Dan,

Thank-you for your inquiry. Here are my answers to your important questions.

1. Will you commit to changing the deadly and unacceptable health conditions faced by individuals with intellectual disabilities?

- Yes, the B.C. Greens are committed to ensuring good health for all British Columbians.

2. Will you engage individuals with intellectual disabilities and their supporters during the policy-making process on all issues that impact their health and wellbeing?

- Yes, the B.C. Greens are committed to an inclusive consultation process for those with intellectual disabilities on issues that impact them.

3. When in government, will you commit to ensuring the Ministry of Health prioritizes improving health outcomes and quality of life for people with intellectual disabilities?

- Yes.

4. Will you commit to creating a governmental task force to improve the health of people with intellectual disabilities?

- The B.C. Greens will work with all stakeholders and relevant government representatives under the shared goal of improving the health of people with intellectual disabilities.

5. Will you commit to supporting sufficient funding and resources to ensure people with intellectual disabilities will no longer face inequality in health and in life?

- Yes.

Regards,
